### Proprietary

I have been afflicted for twenty years with an obstinate skin disease, called by some M. D.'s Eczema, and others Leprosy, commencing on my scalp, and, in spite of all I could do, with the help of the most skillful doctors, it slowly but surely extended, until a year ago this winter it covered my entire person in the form of dry scales. For the last three years I have been unable to do any labor, and suffering intensely all the time. Every morning there could be readily a disgusting scab taken from the sheet of my bed, some of them half as large as the envelope containing this letter. In the latter part of winter my skin commenced cracking open. I tried everything, almost, that could be thought of, without any relief. The 12th of June I started West, in hopes I could reach the Hot Springs. I reached Detroit, and was so low I thought I should have to go to the hospital, but finally I got as far as Lansing, Mich., where I had a sister living. One Dr. — treated me about two weeks, but did me no good. All thought I had but a short time to live. I earnestly prayed to die. Cracked through the skin all over my back, across my ribs, arms, hands, limbs, feet badly swollen, toe nails came off, finger nails dead and hard as bone, hair dead, dry and lifeless as old straw. O my God! now I did suffer. My sister, Mrs. E. H. Davis, had a small part of a box of Cuticura in the house. She wouldn't give up. Said, "We will try Cuticura." Some was applied on one hand and arm. Eczema there was relieved. Stopped the terrible burning sensation from the world go. They immediately got the Cuticura Resolvent, Cuticura and Soap. I commenced by taking one tablespoonful of Resolvent three times a day after meals; had a bath once a day, water about blood heat; used Cuticura Soap freely; applied Cuticura morning and evening. Result, returned to my home in just six weeks from the time I left, and my skin as smooth as this sheet of paper.

### TELEGRAPHIC

The Edmunds Law Failure.

Chicago, 27.—The Times, this morning, editorially speaks of the failure two years ago over the Mormon question, and states that when the Utah Commission was appointed the enthusiasts were quiet, and declared they had won a victory, and that Mormonism would soon cease to exist. The Times then says the spasm of virtue having exhausted itself, the Mormon, a tangible, hard-headed, aggressive and sinister fact, goes on with his marrying and giving in marriage, while his hold on Utah and the neighboring territory is as firm as ever. Arthur, with all the power that was asked, has done no more toward his blotting out than has his predecessor. The scheme with which the godly Edmunds amused the moral austerity of his New England constituents does not work. Utah's Commission exists on the pay roll of the country, but that is all; it is one of the lumbagoes of this age of administrative decadence. Its plan of disfranchisement does not work, but its expense account is regularly audited and the grand old party tells the credulous country what it did for the destruction of Mormonism. It knocked out polygamists in three rounds and clamors for the gate money.

**Foreign Flashes.**

Constantinople, 27.—General Wallace, American minister, has sent a fresh note to the Porte demanding the prosecution of the treaty of commerce between Turkey and the United States, but agreeing to a revision of the tariff.

Paris, 27.—Figaro has advice from Tamatave, by way of Adin, that the British commander there demanded of the French that the state of siege be raised, but Admiral Pierre refused to comply.

**Forgery.**

Ottawa, 27.—A rumor is current here that the finance department is investigating an extensive forgery of Dominion notes of larger denomination. But very little reliable information can be secured. Two detectives, one from Chicago and the other from Toronto, have been in the city several days, but are silent on the question. It is said Chicago and Montreal are where the plates were made and that an Ottawa woman had nothing to do in the matter.

**Run Over.**

Galveston, 27.—News' Brownsville special: Last night a special train on the Matamoros and Monterey Railroad running to a ball at Rosita ranch, ran over a man and two women drunk and asleep on the track. One woman has since died and the man is not expected to live. The train men, W. Garland, Archie Fleming, Robert Kane and Jesse Maginn, were all arrested by the Mexican authorities and are now in jail.

**The Pauper Emigrants.**

Washington, 27.—The treasury department received a remonstrance from the British authorities against the return to England of their alleged pauper emigrants who were going to friends in this country who had promised to take care of them, and which emigrants had shown letters to that effect on their arrival in the United States. The matter is being looked into.

**Shocking Casualty.**

Lancaster Pa., 27.—At 5.30 this morning the fast express struck a market wagon containing Henry Welsh and wife, and Miss Alice Swartz. Miss Swartz and the horse were killed instantly; Welsh, with part of the vehicle, was dragged about 400 yards, and was dead when found. Mrs. Welsh lived only about twenty minutes. Mr. Welsh was terribly mangled.

**Grand Army of the Republic.**

Denver 27.—The next national encampment of the Grand Army of the Republic will be held at Minneapolis. Wm. Warner of Iowa was elected senior vice-commander-in-chief, and Walter H. Holmer of California, junior vice-surgeon general and chaplain was re-elected.

**Business Failure.**

Cleveland, 27.—The Ward Iron Company, Niles & Newell, has failed. Liabilities estimated at \$300,000; available assets said to be less than \$5,000.

**Montgomery Blair Dead.**

Washington, 27.—Hon. Montgomery Blair died at his residence, Silver Springs, this morning.

### No Whiskey!

**BROWN'S IRON BITTERS** is one of the very few tonic medicines that are not composed mostly of alcohol or whiskey, thus becoming a fruitful source of intemperance by promoting a desire for rum.

**BROWN'S IRON BITTERS** is guaranteed to be a non-intoxicating stimulant, and it will, in nearly every case, take the place of all liquor, and at the same time absolutely kill the desire for whiskey and other intoxicating beverages.

Rev. G. W. Rice, editor of the *American Christian Review*, says of Brown's Iron Bitters:

Cin., O., Nov. 16, 1881.

Gents:—The foolish wasting of vital force in business, pleasure, and vicious indulgence of our people, makes your preparation a necessity; and if applied, will save hundreds who resort to saloons for temporary recuperation.

**BROWN'S IRON BITTERS** has been thoroughly tested for dyspepsia, indigestion, biliousness, weakness, debility, overwork, rheumatism, neuralgia, consumption, liver complaints, kidney troubles, &c., and it never fails to render speedy and permanent relief.
